Mobility requirements

We are often asked about mobility requirements for this trip.

We advise that participants be physically fit for long travel, jet lag, a hot environment and travel by bus, including steps. Many places we will visit will be difficult to access if participants have mobility issues. We want to assure that all participants have a safe and wonderful time.

A few words from Ali Baluchi

Hi dear friends!

We are so excited to see the good number of registrants coming through so beautifully. Our volunteers are hard at work preparing for your visit.

We are so looking forward to seeing you all in KSA and to share with you the vast developments in every facet of Saudi life. We look forward to welcoming you back to your second home, Saudi Arabia.

WE LOVE YOU ALL.

Ali Baluchi, Chair of the 2019 KSA Reunion

What should I budget for?

The non-refundable registration fee of \$150 covers some of the basic costs of running the reunion. Some activities and trips will also have associated fees, but all events are optional. You must decide which activities you want to be involved in and what your budget will allow.

Airfare and hotel is an additional cost to the participant. Discounts at select hotels are currently being arranged and you will be notified of these as soon as they are ready. A reunion shuttle bus will be provided to hotels designated for the reunion but if you choose to stay in alternative accommodations, you will be responsible for your own transportation each day.

There will be many shopping opportunities!!

Lost your badge number?

You will need the retiree's badge number to register. If you intend to register but do not know your badge number, you may call Alight Aramco Benefits Center at 855-604-6220. Please, only use this number if you intend to register.

You can join Joy Neuman on a local shopping excursion as part of your 2019 Reunion experience

Our Tourism and Events teams are working on an amazing itinerary for the reunion and it will be some time before it is finalized. We expect to have trips to Jeddah, Asir, al-Hasa, Madain Saleh and Shaybah. We will publish this information and open registration for trips as soon as they are available. Please note that due to the effort level of some of the trips, all participants must be physically fit to participate

More local plans include Saudi Aramco Camp tours and activities like the Mall Day at ad-Diwan, local museums, and exhibits, various picnics (including at HMYA), daily shawarmas, shopping in Khobar and Dammam, local music nights, and on March 15, you may attend our DH Farmer's Market! Everyone will also have a chance to tour the newly opened King Abdulaziz Center for World Culture.

2019 Reunion House

We are pleased to announce that we have a home for the 2019 KSA Reunion! This house in Eleventh Street will serve as our office base over the next months of planning and preparation and will be your 'home' in Dhahran during the reunion itself.

Our hospitality team, headed by Mandy Parker and Suzanne Parmenter, will be working hard to prepare the house for your visit. It has spacious reception

rooms and a large garden where they hope to offer a regular supply of shwarmas!

Whenever you are in Dhahran camp, you are welcome to use this house for refreshment, relaxation and to catch up with friends and your extended Saudi family.

We will have a great team of volunteers on hand to help you with making the most of your visit. There will also be a selection of vendors available with Saudi-

themed gifts and souvenirs.

Ahlan wa Sahlan!

2019 Reunion House is ideally located within a short walk of the Dhahran Commissary and Dining Hall
