# Grading

- The Village School does not rank its students.
- Cumulative GPA averages are based only on The Village School coursework and are weighted in favor of IB courses.
- Honors Level courses are given a 4-point weighting.
- IB Standard Level and Theory of Knowledge are given a 5-point weighting.
- IB Higher Level courses are given a 10-point weighting.
- The grade point average is determined by using a 100 point scale. The lowest passing grade is 60%.

Courses are graded according to the following scale:

|                 |                |                       |
|-----------------|----------------|-----------------------|
| <b>A 90-100</b> | <b>C 70-79</b> | <b>F 59 and Below</b> |
| <b>B 80-89</b>  | <b>D 60-69</b> |                       |

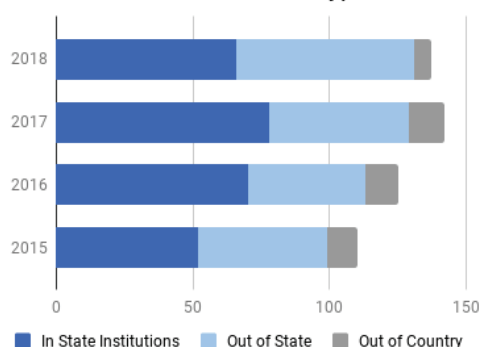

Courses not included in a Village School GPA include:

- Physical Education
- Non-Village School courses or transfer courses
- An elective course in 11th and 12th grade for which a student filed a one-time GPA waiver form. The GPA waiver form allows students to continue taking one elective course each year that will still display the grade received for the course but will not affect the student's GPA.

## We are Village

The Village School is a co-educational, non-denominational, college preparatory private school serving over 1,600 students from early childhood through 12th grade. Located in the Energy Corridor of Houston, Village attracts an international population that enriches the community with its global perspective.

*Students in the Class of 2018 represent 26 different countries and are 53% non-US citizens. They are world-travelers, internationally diverse, and culturally aware.*

### ENGLISH LANGUAGE LEARNERS

Students designated as English Language Learners take language proficiency tests that place them in an appropriate level with the expectation of progressing from one level to the next. While English courses, which focus on reading, writing, and oral proficiency, are leveled, ELL students may also enroll in Reading classes to reinforce language acquisition across all subject areas.

### Accreditations

- Texas Alliance of Accredited Private Schools (TAAPS)
- National Association of Independent Schools (NAIS)
- International Baccalaureate Organization (IBO)

### Memberships

- College Board
- Texas Association for College Admission Counseling (TACAC)
- National Association for College Admission Counseling (NACAC)

The Village School complies with the NACAC Statement of Principles of Good Practice.

## Diploma Options

The Village School offers *three different diploma options* to guide students towards their passions and best develop their skills. All diplomas require rigorous coursework and a significant amount of academic dedication.

### IB Diploma

The International Baccalaureate Program (IB) is an internationally recognized, rigorous, college-preparatory course of study. The Full IB Diploma mandates that students select courses to study throughout their 11th and 12th grades at Village. All Diploma candidates select three Higher Level course and three Standard Level courses.

The six subject areas are first language, second language, math, science, social science and an IB elective. Students must also successfully complete the Theory of Knowledge course, the 4,000-word Extended Essay and fulfill the requirements of the Creativity, Action & Service (CAS) project. Students completing the Full IB Diploma exceed the State of Texas minimum graduation requirements.

**Diploma Type Distribution  
Class of 2019**

93% of Village students chose to pursue at least 1 IB Certificate in a field of their choice.

### Entrepreneurship Diploma

The Entrepreneurship Diploma, a partnership with Founding Partner Bridges to Wealth at The Wharton School, provides students with the critical thinking, professional and leadership skills to navigate the business trends of an ever-changing, global economy. Students are required to take a rigorous course load that includes a mixture of IB courses and Business-Centered electives such as: Financial Literacy, Leadership Development and Private Equity and Venture Capital.

In addition, students will complete a service trip to Tanzania, an internship focused in an area of their choice, and a Capstone Project which is reviewed by faculty at the Wharton School and University of Pennsylvania Graduate School of Education. Students completing the Full Entrepreneurship Diploma exceed the State of Texas minimum graduation requirements.

\* "A" in the course title for IB language classes indicates the language is being taken as the student's native language. "B" indicates the student is taking this course as their non-native language.

Online IB Courses are offered at school during a class period. Students are proctored by our IB coordinator. Online course grades are only offered as Pass/Fail.

^ Indicates the course is a school-supported self-study. Students taking these courses are natively fluent in the language and studying it at an A level. Because these courses are self-taught, they can only be taken as SL courses, not HL.

# Village IB Program

While we offer the full IB Diploma and 93% of our students take at least one IB course, we do not require every student to pursue the full IB Diploma.
